Heavy-Duty Bin Cabinets and Quick-View Security Bin Cabinets

Akro-Mils introduces systems of its Heavy-Duty Bin Cabinets and Quick-View Security Bin Cabinets equipped with TiltView™ tilting bins. Akro-Mils' Heavy-Duty Bin Cabinets (48" W x 24" D x 72" H) feature all-welded 16-gauge steel construction with 7-gauge reinforced corners. Its heavy-duty steel handle with keyed padlock ensures complete security of contents.

- Cabinet's powder-coat paint stands up to heavy-duty daily use
- New package includes 68 TiltView bins in the following sizes: (24) 3-3/4" L x 23-5/8" W x 4-1/2" H, (20) 5-3/8" L x 23-5/8" W x 6-1/2" H, (16) 6-3/4" L x 23-5/8" W x 8-3/16" H, and (8) 12-5/16" L x 23-5/8" W x 14" H
- Provides for additional storage on the doors — space for up to (66) 30230 Clear AkroBins® (10-7/8" L x 4-3/8" W x 5" H), giving users a highly efficient use of space
- Quick-View Security Bin Cabinets (36" W x 18" D x 78" H) feature all-welded 16-gauge steel construction
- Lexan™ door panels allow materials to be viewed, even when the cabinet is locked
- Cabinet includes a keyed handle with three-point locking system for security
- Cabinet's powder-coat paint stands up to heavy-duty daily use
- New package includes either 31 or 39 TiltView Bins in various sizes, as well as an additional 24 Clear 30230 AkroBins
- Available in six sizes, popular TiltView Bins offer users an expandable, high-density storage system that will improve organization and efficiency in a variety of settings
