Label Applicator

Page 1 of 1

The ALS 204 is an industrial-grade label applicator for continuous-duty applications in shipping, packaging, loading-dock, warehouse and distribution center environments. It automatically applies preprinted product ID labels to cartons, boxes and other items at packaging line speeds up to 40 meters per minute. It is well suited for heavy-duty, round-the-clock labeling operations and features die-cast, all-metal construction.
