

Solar Park Initiatives, Inc. Listing Approved -- Trading Under Symbol SOPV.OB

The Associated Press

<http://www.solarparkinitiatives.com> () —

Solar Park Initiatives, Inc. (OTCBB: SOPV), a Florida-based solar energy company, received approval from the Financial Industry Regulatory Authority (FINRA) for trading on the NASDAQ OTC market under the symbol SOPV.OB. This completes the spin-off from Solar Energy Initiatives, Inc. (SNRY) making the company a separate, fully-reporting, publicly-traded company.

David Surette, CEO of Solar Park Initiatives, Inc. (SOPV), stated, "With this approval, the company can move forward with its plans to develop its current pipeline for solar generation facilities starting in the 5 to 10 MegaWatt range in states where land has been secured for the respective projects."

Solar Park Initiatives, Inc. Business Strategy

Solar Park Initiatives intends to develop land for large utility scale solar photovoltaic ("PV") projects. The Company will attempt to provide engineering, procurement of products and construction ("EPC") via third party suppliers including its sister company Solar Energy Initiatives, Inc. SOPV will attempt to sell the resultant electrical production to various utilities and large commercial entities through a Power Purchase Agreement ("PPA"). The Company expects to provide energy savings to commercial and municipality users without any out of pocket engineering, procurement or construction ("EPC") costs to those users of energy.

Forward-Looking Statements

This press release contains forward-looking statements that reflect current expectation regarding future events. Actual events could differ materially and substantially from those projected herein and depend on a number of factors. Certain statements in this release, and other written or oral statements made are "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. You should not place undue reliance on forward-looking statements since they involve known and unknown risks, uncertainties and other factors, which are, in some cases, beyond the control of the companies and which could, and likely will, materially affect actual results, levels of activity, performance or achievements. The companies assume no obligation to publicly update or revise these forward-looking statements for any reason, or to update the reasons actual results could differ materially from
