

## **Epicor Wins Gold in Best in Biz Awards 2012**

The Associated Press

Epicor Software Corporation, a global leader in business software solutions for manufacturing, distribution, retail and services organizations, today announced the company has been named a gold winner in the company category of "Fastest Growing Company of the Year" in the Best in Biz Awards 2012, the only independent business awards program judged by members of the press and industry analysts. More than 400 entries were received in this year's awards program, from a wide array of public and private companies of all sizes and from a variety of industries and regions in the U.S. and Canada.

This is the first year Epicor has won in the esteemed Best in Biz Awards. "We are honored to be recognized by the Best in Biz Awards," said Pervez Qureshi, president and CEO for Epicor. "This award is a result of our ongoing commitment to provide unparalleled innovation in our technology, software, and services. With a strong commitment to customer success -- our growth is evident in our focus to empower customers with the right tools to successfully drive their businesses to achieve success."

Epicor offers a comprehensive range of services with its enterprise software solutions, providing a single point of accountability to promote rapid return on investment and low total cost of ownership. Epicor enterprise software solutions provide the scalability and flexibility to meet today's business challenges, while inspiring enterprises to achieve even greater success in the future.

Best in Biz Awards 2012 honors were presented in more than 50 categories, including Company of the Year, Most Innovative Company of the Year, Executive of the Year and Best New Product of the Year. Winners of Best in Biz Awards 2012 were determined by an independent panel of 32 judges from top-tier news, business and technology publications, as well as broadcast outlets and analyst firms, such as ABC, BusinessWeek, Computerworld, USA Today and ZDNet.
