

Promoting Personal Safety and National Security: Targeting Ricin

Submitted by Guest (not verified) on Mon, 12/21/2009 - 1:26pm

Today's topic is research on new ways to detect and possibly treat poisoning from ricin, a potential bioterrorist agent. Intro theme and music by Kevin MacLeod. Creative Commons licensed audio from freesound.iua.upf.edu includes sounds by Halleck, samplecat and acclivity.
