Roey Rosenblith, co-founder of Village Energy (Uganda) Ltd, talks with host Paul Rippey about his start-up solar lighting company (<http://tinyurl.com/VillageEnergy>) which seeks to add maximum local value by assembling products in country. Roel also shares about his recent experiences as a passenger on NorthWest Flight 253 on Christmas day, which barely escaped being blown up, and reads part of his blog post on that experience, which appeared on the Huffington Post (<http://tinyurl.com/DetroitSkies>).
