

Jumbo-Sized Ear Protection

Magid Glove & Safety introduces its Magid® E2® IHP932J and IHP932CJ jumbo-sized uncorded and corded disposable earplugs with:

- Soft, hypo-allergenic polyurethane foam.
- A high noise reduction rating of 32 dB.
- A bigger size to accommodate those with larger, deeper ear canals.
- A tapered design that ensures a comfortable fit all day long.
- A bright, fluorescent orange color that makes them easily visible during compliance checks.
- A bright red PVC cord (on corded models only) to keep the plugs close at hand, while reducing loss and further enhancing visibility.
- 200 pairs per dispenser, packaged 1 pair per sealed polybag.
