

Safety Mat for Extreme-Traffic Walkways

New Pig Corporation's PIG® TRAFFIC MAT® rug keeps extreme-traffic walkways dry and safe, especially in areas prone to overspray and drips. The rug is:

- 100 percent polypropylene.
- Heat-fused and needle-punched for greater durability.
- Available in 300' L x 36" W rolls.
- Able to absorb and retain oils, coolants, solvents and water.
- Flame-resistant.
