

## Quick, Get the Spill Kit

New Pig Corporation has released the PIG® GoBox® Universal Spill Caddy containing a variety of high-quality PIG® absorbents in lift-out baskets. Packaged in a sturdy, recyclable cardboard container for indoor storage and one-time spill response, the caddy offers an alternative to reusable plastic containers. Features include:

- 4-inch wheels and built-in handles.
- Foam feet to keep contents clean and dry.
- Optional Haz-Mat and Oil Only versions.
- An assortment of socks, mats, pillows, wipers and loose absorbents.
