

Explosion-Proof LED for Powder Spray Booths

Larson Electronics' new EPL-LED7W-SFC explosion-proof LED light is suitable for paint and powder spray booth applications. The LED:

- Is UL rated Class 1 Division 1 and Class 2 Division 1.
- Can be pendant, wall or ceiling mounted within hazardous location areas.
- Provides 40 percent more light at 10 feet than a 100 watt incandescent light.
- Operates below ambient temperatures and focuses all light produced in a downward direction.
