

## All-Purpose Workbench

Lista International Corp. announces its all-purpose workbench as a high-quality and versatile solution. According to the company, the workbench features:

- High quality with the company's most affordable bench price ever.
- A durable design that is capable of supporting 1,000 pounds, evenly distributed.
- Dozens of choices for storage, adjustability and configurability.
- Available accessories and options, mobility and colors.
- Workbenches in the Xpress program ship within 3 to 5 days of order.
