

## A Fast & Easy Drum-Opening Solution

BASCO's DrillWhiz™ opens 2-inch round- and open-head steel or plastic bungs. It fits a 3/8-inch chuck on any pistol grip drill, and further offers:

- For ultimate speed and portability, attach the DrillWhiz™ to a cordless drill and open drums, even in remote areas, far removed from sources of air or electric power.
- It is constructed of anodized aircraft aluminum alloy 2024.
