

Machinery and Long Roll Carton Sealing Tape

Intertape Polymer Group (IPG) now offers the Interpack USA Series Case Sealers that are adjustable, operator fed machines that process same sized RSC style cases. These machines are engineered to provide industry leading features, heavy duty construction for 24/7 operation, and ergonomic, user-friendly operation and case size set up.

- Interpack Case Sealer comes with an HSD 2000-ET II tape head with adaptive technology
- Provides optimal tape application and wipe down to each of the 3 taped panels of the case
- When purchased with Intertape or Central Pressure sensitive carton sealing tapes, the case sealer can help save time and labor in a shipping facility
