

Mixer/Grinder

Hollymatic's all stainless steel 900E mixer/grinder features a 200 lb. hopper capacity and grinds up to 65 lbs. per minute on second grind. Its innovative ergonomic design improves efficiency and safety while offering user-friendly operations like easy loading and unloading, as well as easy cleaning after each use.

- Stainless steel, programmable automatic forward/reverse mixing ribbon for smooth, even, homogenous mixing
- Unique feed screw that operates at right angles to the hopper
- Minimal feed screw exposure to the product
- Minimal temperature build-up to extend shelf-life
- Helps to improve product bloom and presentation
- Stainless steel conical hopper and grinding head
- Convenient on/off and mix/grind push button controls
- Variable speed mix and grind motors
- Safety interlocked lid
- Heavy duty casters
