

## Gough Econ Bucket Conveyor

renue74

The Gough Econ, Inc. GT Elecon bucket elevator and conveyor system is the world's only 3 directional bucket elevator. The three-axis capability is a result of the patented chain design and wedge shaped buckets. Due to it's flexibility the Gough Elecon can handle any circuit design imaginable. <http://www.goughecon.com> or call 704-399-4501.
